UIC is located in South Florida, one of the world top tourist destinations. Florida, the sunshine state, has 12 international airports, 14 deepwater ports and 1,200 miles of sand beaches.

Florida is also estimated to have the largest concentration of freshwater springs on earth with an approximate 900 stunning springs. Florida is home to the Everglades, a World Heritage Site and an International Biosphere Reserve. The Everglades is the only place where the American Alligator and American Crocodile co-exist in the wild.

Florida is also home to Cape Canaveral, NASA's Launch Pad for Space Flight and the Walt Disney World Amusement Parks and Resorts.
