# Escalate Your Business to the Next Level or Become a Leading Executive of the Labor Market

The Master of Business Administration (MBA) offered by UIC develops graduate students into the leaders who will strategically shape the world's entrepreneurial ecosystem. UIC's new leaders will possess the necessary adaptability to ever-changing entrepreneurial opportunities and discover tangible solutions in a rapidly evolving world.

Sustainable business projects, social responsibility, and core ethics are pivotal areas in the development of the holistic UIC MBA graduate. All students conclude their studies with a capstone project, which consists of a 105-hour course wherein students will dedicate 90 hours to conducting research applied to an organization.

According to the US Census Bureau, in 2021, 14.3% of the U.S. population older than 25 years reported holding a Master's, Professional, or Doctoral degree. UIC's innovative holistic MBA equips executive professionals with the necessary skills that meet current market demands and allow them to uniquely adapt to new enterprises. Are you ready to expand your horizon?
