

Travel and Tourism Management

Become a Business Professional

UIC is located in South Florida, one of the world top tourist destinations. Florida, the sunshine state, has 12 international airports, 14 deepwater ports and 1,200 miles of sand beaches.

Florida is also estimated to have the largest concentration of freshwater springs on earth with an approximate 900 stunning springs. Florida is home to the Everglades, a World Heritage Site and an International Biosphere Reserve. The Everglades is the only place where the American Alligator and American Crocodile co-exist in the wild. Florida is also home to Cape Canaveral, NASA's Launch Pad for Space Flight and the Walt Disney World Amusement Parks and Resorts. The tourism in Florida has an economic impact of \$124 Billion. South Florida is a perfect location for employment in the travel and tourism industry.

UIC offers the tools for students to become entrepreneurs or join the labor market. UIC has incubated successful businesses throughout its history.

- Travel Counselor
- Sales Agent
- Tour guide
- Destination Counselor
- Cruise Specialist
- Reservations Agent
- Reservations Manager

Admissions Requirements:

Associate Degrees

1. High School Diploma, Transcripts or GED
2. Government issued ID
3. The applicant must be 18 years of age. If the applicant is less than 18 years of age, a parent/guardian signature is required to enroll the student in the program
4. Submit a completed and signed Application for Admission

Bachelor Degrees

1. High School Diploma, Transcripts, or GED
2. Government-issued ID
3. The applicant must be 18 years of age. If the applicant is less than 18 years of age, a parent/guardian signature is required to enroll the student in the program
4. Applicants graduated from Associate Degrees from other institutions must submit an official transcript. Official transcripts must be received by UIC directly from the previous educational institution. Credits will be evaluated course-by-course in order to assure proper transfer. Transcripts must be evaluated for international applicants
5. UIC students graduated from any of the Associate Degrees can transfer into a Bachelor degree program of the same field; all passing credits will be transferred
6. Submit a completed and signed Application for Admission
